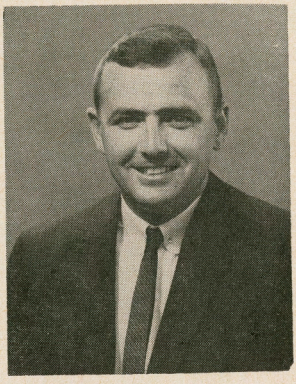
COVER: COACH ELTON S. JACKSON
8th Season



Coach "Jack" Jackson, in his 8th season at the University of Maryland, had one of his most thrilling moments in 1965 when his Terrapin team won its first Atlantic Coast Conference baseball championship.

Jackson, a native of Baltimore, succeeded H. Burton Shipley who retired after 38 years with the University. Jackson has been associated with baseball at Maryland since 1955. As an undergraduate, he assisted Shipley with the Maryland Varsity and in 1957 coached the Maryland Freshmen to a 9-1 record. Following his graduation, in 1958, he remained to work on his Masters and continued as an Assistant Coach of the baseball squad. He received his masters in 1966.

Upon graduation from Patterson Park High School, Jackson signed with the Philadelphia Athletics as a shortstop. He remained in the Athletics' farm system until 1952 when he entered the Army. While playing professional ball, Jackson made the Tobacco State League All-Star team in his first year. In 1949 he led the Central Association League shortstops in fielding and in 1950, while with Fayetteville, in the Carolina League, he tied the league record for asists by a shortstop in a single game.

Coach Jackson and his wife Peggy have 3 children, Jenifer 7, Jackie 5, and Julia 2.

1968 DIAMOND PREVIEW

Coach: E. S. "Jack" Jackson, 8th Season

Outlook: Optimistic

Returning Lettermen: 10

1967 Record: Won 12; Lost 6

The coming baseball season, which includes a new twenty-one game Atlantic Coast Conference schedule, makes predictions difficult. It remains to be seen if th eadditional games will be to our benefit or not, but at the time of this writing we feel it will benefit the Terps. Last year we started strong maintaining our momentum almost to the close of the season. We feel this year the schedule will aid us if we get our momentum going. There is nothing like competition to keep a team sharp. Then again, if we start slower this year, there will be time and opportunity to get things going.

We are counting on our pitching which at this time appears to be our strongest asset. Tom Bradley, (5-2), 1st team A.C.C., who was our work-horse last year, returns. Tom had a pretty good summer season in the valley. Also returning, and who can be classed as veterans, are seniors Mark Harris (2-2), George Manz (2-1) and Frank Bon Vardo. Returning as juniors after seeing limited action last year are Mike Herson (1-0) and Phil Corddry. Herson we feel has come into his own after a fine summer and could very well challenge Tom Bradley for the top spot on the staff. Corddry looks like our prime left-hander. With more work on control, Phil could be the dark horse of the staff. To round out the staff we have McKay, Price and Gabriel who throw from the port-side and Shellhammer, Whitehill and possibly a freshman, Rick Clee, as right-handers.

There are three factors that affect any team. One is graduation and the other two are hazards of the college game, namely; academic dismissal or disqualification and the professional "leeching" of the best talent.

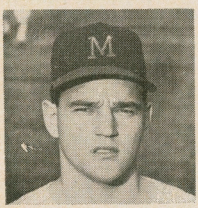
Through graduation we've lost Larry Davis, Bill Camera, Steve Sauve and Dick Wright. It will be very difficult to replace Davis and Sauve our leaders of last years team, but at the moment, George Fling will have to fill Davis's shoes and either Bob Simpson or Bob Parker will have to replace Sauve. Fling is a fine hitting young ball player who has shown exceptional ability this past fall. Both Simpson and Parker have improved during a highly competitive summer of Industrial ball. The third base position is hotly contested with Joe Schlicht maintaining control after a great fall with the bat.

Academics created one hole that will most difficult to fill, Dick Richards at short. Bob Stropp and Dan Crowley will probably be given a shot at that position. Dan saw action last year at second alternating between Ed Compton and Mike Rogosky both who are returning. The outfield is up for grabs, Joe Shamburg, the X-Marine, Don Smith, Mike Martz, Gene Hiser, George Petrilik and Jim Norris will have to settle this problem in the spring.

Probably the most important player to replace will be John Hetrick the A.C.C. batting champion of 1967 and an All-America as a sophomore. Hetrick signed a pro contract with the Detroit Tigers at the close of the spring semester. The loss of this type personnel is most difficult to replace.

All in all, it should be an interesting season. We have our work cut out for us. We must field a team of sufficient caliber that will adequately support, both offensively and defensively, what we consider a fine pitching staff. If this goal is achieved we may very well have a conference champion.

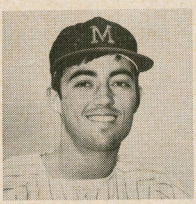
TERP DIAMOND MEN



BON VARDO, FRANK — SENIOR, PITCHER — Frank is a question mark. He has all the tools to do the job. Has been plagued with trouble in the past.

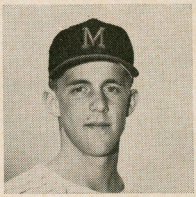
BRADLEY, THOMAS — JUNIOR, PITCHER — Tom was the work-horse last year, won 5, lost 2, ERA 1.79. He's ready for a big year and this could be it. Has a live fast ball and a good curve. Had a good summer in the valley.

CLEE, RICK — FRESHMAN, PITCHER — Six foot six, strong, throws the ball hard. May see action now that freshman are eligible.



COMPTON, EDWARD — JUNIOR, INFIELDER — Ed hit .260 in 14 games last year. He's again involved in a hot scramble for the second base job. Good fielder with plenty of hustle.

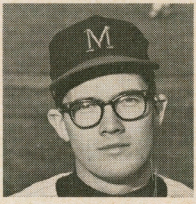
CORDDRY, PHIL — JUNIOR, PITCHER — A typical left-hander. Throws hard. must work on control. He should see plenty of action against the "port-siders".

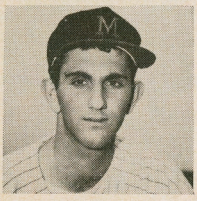


CROWLEY, DAN — JUNIOR, INFIELDER — Dan saw action at second and third last year. May be moved to short to fill that gap. A hard worker, he gives more than 100 per cent. Good in the clutch.

FLING, GEORGE — JUNIOR, FIRST BASE — George is ready to fill the gap left by Larry Davis. Had a fine fall season. A slick fielding, good hitting prospect.

HARRIS, MARK — SENIOR, PITCHER — This should be a big year for Mark. He's bigger, stronger and now has the experience. Pitched very well in the Cape Cod League this past summer.



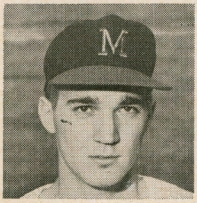


HERSON, MICHAEL — JUNIOR, PITCHER — Mike is ready! Fast, with good control. Found this summer he could "blow" it past the hitter. Good curve, he'll be tough.

MANZ, GEORGE — SENIOR, PITCHER — George is a stopper, fast, good control. Needs work on the curve. Should see plenty of action this year.

MARTZ, MIKE — SOPHOMORE, OUTFIELDER — Mike will be battling for a starting position in the outfield. Fast, good arm, good bat. A competitor with plenty of hustle.

McKAY, DENNIS — JUNIOR, PITCHER — Mac has continually shown improvement. Had a good summer season. Should add depth to the south-paw portion of the staff.

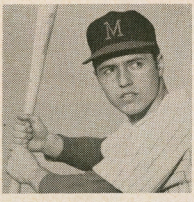


ROGOSKY, MICHAEL — SENIOR, INFIELDER — Mike finished fast last year, serving notice that he will be battling for the starting position at second. If he continues from last year he'll be tough to keep out of there.

SCHLICHT, JOE — SOPHOMORE, INFIELDER — Joe with his bat will have to play somewhere, probably third base. He's a left-handed hitter with good power. Should give us some offensive strength.

SHAMBURG, JOE — SOPHOMORE, OUTFIELDER — The X-Marine is fast, agile, a good arm. Swings the bat with power. His age and experience will aid the younger ball players.

SIMPSON, ROBERT — JUNIOR, CATCHER — Bob caught last summer gaining valuable experience. Saw limited action last year. Has a good shot at #1 catcher.



SMITH, DON — SENIOR, UTILITY — Don's speed and aggressiveness is invaluable. His attitude is excellent and he's ready.

STROPP, ROBERT — JUNIOR, INFIELDER — Bob saw action last year in both the infield and outfield. Good hands, good arm, good bat. May be given a shot at short.
